If you have a safeguarding concern about <u>any</u> child you can report it to: First Response by telephoning 0800 1313 126 (Emergency Out of Hours on 08456 042886) or via email: <u>first@staffordshire.gov.uk</u>

Happy Holidays

Mrs Wright and all the staff would like to thank you all for the lovely presents and cards they have received.

We wish everyone a very happy summer holiday and look forward to welcoming you back on September 4th. We wish those who are leaving every happiness in their new schools and we wish Mrs Shelley, Mrs Skelton and Miss Gould all the very best for the future.

School Meals

If you pay for your child's school lunch the cost remains at £2.26 from September.

If you want to pay for the half term to 26th October the cost will be £.88.14.

School milk will be ordered for children under 5 and those who already have it. If you would like milk ordering, please let Mrs Everill know. The cost of milk is £7.80 for the half term to 26th October. Cheques should be made payable to Staffordshire County Council.

Messy Family Fun at St Marys First School 24th to 28th July 10am to 2pm.

For further information call Val Laflin on 01889 500547.

<u>Vision Screening for Reception</u> children

We have been asked by Burton Hospital NHS Foundation Trust to advise parents that the vision screening service has been withdrawn for reception children.

Vision tests can be carried out at any high street optician and should be carried out annually from age 4 years upwards.

Message from Staffordshire Fire and Rescue Service

Staffordshire Fire and Rescue Service would like to communicate to young people how to stay safe during the warm weather we are currently experiencing and remind us of the risks of setting grass fires and swimming in open water.

- Deliberately setting grass fires is a crime. It could result in a prison sentence or a £5000 fine.
- Grass fires are very dangerous as they can quickly spread and get out of control.
- Deliberate grass fires can also put both firefighters and members of the public at needless risk of injury.
- When enjoying the outdoors put rubbish in a nearby bin or take it home.

Open water can be dangerous. There may be unseen dangers including the risk of waterborne disease. Cold water shock can kill within one minute of being in the water. Only swim at lifeguarded pools. More safety information can be found on our website at www.staffordshirefire.gov.uk and we are also on Facebook 'Staffordshires Fire and Rescue' and Twitter '@Staffsfire'.
